Professional Profile

An ESL Teacher with two years experience looking for a position teaching young learners and an opportunity to gain experience and improve skills.

Education

BSc: Cybernetics & Control Engineering (2.2), University of Reading (2006)

A-Level: Geography (B) Maths (C), Physics (C), Ilkeston School Sixth Form (2003)

AS-Level: General Studies (B), Ilkeston School Sixth Form (2002)

GCSE: 9 higher grades including English, Maths and Science, Ilkeston School (2001)

Experience

Kindergarten Teacher, Seiko Gakuen, Tokushima, Japan (2008-2009)

- Helped design a curriculum for students aged 3-6.
- Created all lesson plans and materials for use in the classroom.
- Chaperoned students to and from school.
- Taught large classes of up to 40 students but usually around 25.
- Led several open days for current and prospective parents.

ESL Teacher, Joshua English School, Yangju City, South Korea (2006-2007)

- Helped write and introduce a phonics textbook for young learners.
- Worked well under the pressure of deadlines, writing and marking exams, etc.
- Helped organise and supervise monthly field trips for students aged 3-16.
- Taught a variety of students from Kindergarten age to High School students.

Part-time: Held positions in retail and in offices whilst studying.

Additional Information

Driving Licence: Full, UK, clean. Can obtain international driving licence.

Languages: Basic Japanese and Korean skills.

Interests: Enjoy travel and adapting to new settings and situations. Hobbies include building electronic musical instruments, juggling, hiking and some sports.
