## Professional Summary

---

Enthusiastic and professional young lady looking to pursue a fulfilling career. My passion to help others resulted in my volunteer work and tutoring position. This has now turned into a lifelong dream. I have always had a love for travel and learning about new cultures and experiencing new adventures. I thoroughly enjoy the reward of using my knowledge to better others.

## Work Experience

---

08/2021-PRESENT

### FluentBE

Online ESL teacher

- Develop online lesson material such as powerpoints and create writing exercises.
- Teach conversational english to adults in Poland
- Created interactive learning material for classes of four
- Part time lessons- flexible.

This role required business knowledge and corporate experience to assist adult learners with improving their english skill, My training and mentoring role at a corporate company provided me with the right skills to excel at this role.

05/2020-12/2021

### Inspira Educor

Early Education Educator

- Play games with students
- Assist in making games/props
- Supervising and interacting with children.
- Communicated with parents and guardians daily.
- Collaborated with the head educator to create educational exercises.
- Engaged with students, parents, and other team members.
- Helped organize activities
- Served snacks to children.
- Provided first aid to children as needed for minor incidents.
- Monitored students and inspired them to stay focused on tasks.
- Worked with students to develop interpersonal skills.
- Prepare and implement lessons, crafts, and activities
- Administrative duties

A positive attitude and patience helped me be successful at the role at the educational centre.

01/2018-12/2018

### Addington Primary

Preprimary School Teacher

- Providing fun and effective lessons
- General education lesson planning
- Part take in events (school plays, class parties)
- Taught English, Numeracy, and Physical Education.
- Grading, and feedback to students parents
- Creating a positive and nurturing learning environment.
- Stimulated conversation and interaction with students.
- Scheduled parent / teacher meetings.
- Grading of homework assignments.

- Created Classroom material
- After care

The students were from very underprivileged backgrounds and most did not speak English at home hence the role required me to be energetic, patient and have a pro-active personality. Cultural awareness was also very important.

02/2017-10/2017

**University of KwaZulu Natal**

Economics Tutor

- Assist learners with problem areas
- Explain homework and concepts
- Reiterate on work done

The position entailed patience, accuracy and a great communication skills.
