## Work History

### MGM Industries

Hendersonville, TN, United States

May 2001 - May 2007

#### Various Titles

From 2001 to 2007, I have worked - when not attending university - at my family business MGM Industries. The business manufactures and distributes vinyl windows to new construction markets. My work experience varied from summer to summer, but included manufacturing screens, assistant to truck repair, extrusion of vinyl, welder of metal racks, inside sales, and test wall supervisor.

### Middle Tennessee State University

Murfreesboro, TN, United States

May 2007 - May 2009

#### Teaching Assistant

During my graduate education, I was a teaching assistant for the history department. Responsibilities included administration, grading student work, taking attendance, and resolving any problems the student had with the class or assigned work.

### Davidson County Board of Education

TN, United States

Oct 2009 - Present

#### Substitute Teacher

For Davidson County, I started to substitute teach within middle and high schools. The assignments would involve following lesson plans left by the regular faculty or using classroom management techniques and improvisation when plans were not left behind for the substitute.

## Education

### University of Tennessee

Knoxville, TN, United States

Aug 2002 - May 2006

#### Bachelors of the Arts and Sciences, History with a minor in Cinema Studies

### Middle Tennessee State University

Murfreesboro, TN, United States

May 2007 - Present

#### Masters, History

I recently completed coursework at Middle Tennessee State University. To finish my Masters degree, I only need finish my thesis on early American commitment to Indochina by late 2010.

## Interests

If forced to simplify, my interests would be to acquire experience in teaching, historical research, education, filmmaking, or window manufacturing.
