LEGAL EXPERIENCE

Greenland Market

Cashier

- Worked with cash for 4 months
- Promoted to Sub-Manager to help manage shelves and customer service

Sub-Manager

- Worked with the manager to oversee and organize stockings
- Created many documentation to provide name/price tag for products
- Worked during my senior year in high school, quit due to college schedule interference

Private Tutor

Mathematics

- Taught many Korean-American students from elementary to high school level
- Raised grades from F to at least a B
- Worked for 3-4 years during my college education, stopped due to private tutors being too expensive for the current economy

SKILLS AND CERTIFICATIONS

- No legal certifications, but able to effectively create excel/word documents freely and rapidly
- Ability to utilize Adobe Photoshop/Flash to create and decorate web pages
- Speak/write/listen both Korean and English fluently, translating efficiently when needed
